**CHAIRMAN'S REPORT
FOR THE YEAR ENDED 31ST MARCH 2015**

Since its opening in early 2007 and consecration by the Bishop of Bedford, in June 2007 the St Alban's Woodland Burial Trust has seen a constant and growing requirement for the care, services and support we offer to the dying and the bereaved.

Until this year, Woodland Burial at the St Alban's Woodland Burial Trust took place in 2 acres of a peaceful wooded area of the country side just outside the village of Keysoe in Bedfordshire. This year has seen a significant utilisation of the Trust's land with the additional 9.04 acres purchased in the last financial year for the provision of additional glades and burial and interment spaces being particularly in demand. Burials take place in ground which is specifically set aside and consecrated for the purpose of lying loved ones to rest and the additional land will give space for this activity for a number of years to come. We are pleased that Woodland burial at the site continues to be open to people of all faiths and denominations and none. Being consecrated by the Church of England as a sacred space, people who are buried there can lie in this land for ever, until nature runs its natural course.

Graves are marked simply with a wooden plaque or cross, and for those who wish, a tree near the grave can be dedicated as a living memorial to the loved one who lies nearby. The burial is dignified and without rush and in harmony with the nature and ecology of the land in which the deceased are laid. After the service of committal family and friends can spend as much time as they need at the graveside and are encouraged to visit as frequently as they would like.

As the burial takes place a discrete record is kept of the location of the grave and each year an accurate survey is maintained, ensuring the lying place of a loved one is never lost.

In short, loved ones are buried with an ecologically friendly manner in a managed woodland area. They leave behind them a nature reserve which enhances the environment rather than destroying it. They share in leaving behind something that will be of lasting benefit for our children and grandchildren and for generations to come.

Since we started operations we have seen a continued demand for the services and the St Albans Woodland Burial Trust offers. For the financial year ending 31 March 2015, 34 burials and 20 interments of ashes and loose dispersal of ashes have taken place. In addition to this 30 reservations for burials and 17 reservations for the interment or loose dispersal of ashes have been made and a number of memorial plaques and trees have been dedicated on the woodland site. All elements of our work show similar or increased activity compared with the previous year, and in total 163 burials and 107 interments of ashes have taken place since the Woodland Burial Ground was opened. Benches have also been purchased by families of the bereaved and placed in the Woodland. Our spring open day attracted over 100 people from many different parts of the country, a further testimony to the public demand for such burial sites and further open days are planned. A second significant open day was held in conjunction with the St Albans Diocese 'Celebrate 100' event on August Bank Holiday held at the Keysoe Equestrian Centre which the Trust supported. Despite very inclement weather many more people from all walks of life were able to see the Woodland Burial Ground and understand its workings. It was also used as a location for some of the 'Celebrate 100' prayer stations, further testimony to the public benefit the site and Trust offer.

Spiritual support has been offered to the family and friends of the deceased and appropriate training undertaken by those engaged in this work. A Friends Newsletter is issued annually to keep subscribers updated on our activities and developments.

During the current year of operations, development of environmentally friendly access the site and further enhancements to the burial glades, both coupled with continued active management of the woodland area has been undertaken. As we look to the future the need to provide dignified burials in consecrated ground which is managed in an environmentally and ecologically sustainable manner continues to increase, as does the need to provide support for those who mourn loved ones departed. We look forward to continuing to offer and provide this service to all who wish to receive it in the years ahead.

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2015. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

INTRODUCTION

Welcome to the St Albans Woodland Burial Trust's Annual Report and Accounts which covers our activities for the period 1 April 2014 to 31 March 2015.

The St Albans Woodland Burial Trust was created at a time of emerging awareness of the importance of sustaining the environment in an ecological friendly manner coupled with an increasing demand on society to meet the spiritual needs of the bereaved. Since our inception we have continued to operate against the backdrop of this need for spiritual and ecological support and care throughout the bereavement process.

Our key aims continue to be to provide and maintain for the benefit of the public and for the advancement of Christian faith and education, woodland sites for the burial of the dead. We wish to develop and preserve such sites in order to provide a semi-natural woodland environment and to ensure diversity in woodland structure to safeguard notable species and communities. We seek to support financially or otherwise Christian churches and Christian ministers engaged in ministry or providing services and support to the dying and the bereaved

In short, the trust exists to offer woodland burials in consecrated ground in a dignified and ecologically and environmentally sympathetic manner.

- We act with integrity, respect and dignity towards all people
- We respect people of all cultures, faiths and beliefs
- We respect people of all physical and mental abilities
- We aim to provide an appealing natural choice alternative to conventional burial or cremation
- We aim to provide an ecologically friendly and environmentally sustainable burial service
- We aim to provide a burial service which is cost effective and high quality

Charitable Objects

The St Albans Woodland Burial Trust is required by charity and company law to act within the objectives of its Memorandum of Association.

The St Albans Woodland Burial Trust's objects, as laid out in the Memorandum of Association are:

It develops and maintains the site to provide a semi-natural woodland environment which safeguards notable species and communities. It supports those engaged in providing services and support for the bereaved.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2015**

ACHIEVEMENT AND PERFORMANCE
Financial Basis of Operations

The Trust makes charges for burials, interment of ashes, scattering of ashes, grave digging, and for memorial trees and plaques. These charges are then used for the expenses of operations, chiefly the costs incurred with the operations of the Trust such as capital expenses on coffins, plaques and crosses, maintenance costs such as grave digging, woodland management and administration, and activity based payments to the landowner who donated the land to the Trust. In the current year of operations income has also been received from donations.

Review of Activities

The directors are pleased to report that in the period ended 31 March 2015 income from the St Albans Woodland Burial Trust activities was £58,422, up 0.49% on the previous year of trading. This income was received from the operations of the Trust, and from a small number of donations. Details of these are shown in the accounts below. Key expenses in the current year of operations were incurred against operations, and glade development. During the year biodegradable flower pots continue to have been made available and have been well received. 10% of the proceeds from these pots are earmarked for reinvestment in the trees and flora for the site. Professional advice on planting and bio-diversity continues to be used by the Trust.

Operational expenses were again managed to ensure a positive cash flow for the year.

The statement of financial activities shows a surplus of £15,142 from operational activities and we have continued to maintain a prudent balance to fund ongoing day-to-day operations and cash flow.

Once again we would like to thank all those who have made donations, and especially those individuals who have made personal donations including those who have completed gift aid forms where appropriate to enable tax to be reclaimed from these donations.

The Trust's website (www.woodlandburialtrust.com) continues to receive significant traffic and is an increasing means of communication and advertisement for the Trusts Services and source of enquiries.

The Trust's objectives were achieved through the activities of the Trust, namely the provision of a woodland burial site for those people and families wishing to be buried in consecrated ground in an environmentally and ecologically sustainable manner. Support has been provided for the family and friends of the bereaved and training and support has been provided for those engaged in the work of services and support to the dying and the bereaved. Through active management of the woodland, the site has been developed and preserved in order to provide a semi-natural woodland environment which thus ensures diversity in woodland structure to safeguard notable species and communities.

FUTURE DEVELOPMENTS

The St Albans Woodland Burial Trust remains open to future developments within the context of its Memorandum of Association and the vision and objectives of the Trust. With most of the major infrastructure developments having been undertaken on the current site it is envisaged that the next year of operation will focus on the extension to the activities of the Woodland Burial Trust through use of the additional land, the optimisation of management of the entire site and associated services such as care and support for the bereaved and planning for the future.

POLICY AND CHARITY GOVERNANCE

Rates and Taxation

The St Albans Woodland Burial Trust is a registered charity and has received 80% Mandatory Rate Relief and 20% Discretionary Rate Relief (Total 100%) from Bedford Borough Council. The receipt of Discretionary Rate Relief was due to end on 31 March 2011 but was extended by the Borough Council.

Independent Examiner

Anthony Brice who is a director of the accountancy practice Keens Shay Keens Limited has been appointed as the Independent examiner for the St Albans Woodland Burial Trust. His report appears on page 7 of the accounts.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2015**

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of St Albans Woodland Burial Trust for the purposes of company law) are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ON BEHALF OF THE BOARD:

.....
The Revd Dr G. (Sam) Cappleman
Company Secretary

17th May 2015

I report on the accounts for the year ended 31st March 2015 set out on pages eight to thirteen.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
